NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES FOR APPROVED TENTATIVE
SUBDIVISION TERRITORIES IN THE CITIES OF

(SUPERVISORIAL DISTRICTS 3 AND 5)
(3 VOTES)**

SUBJECT

This action is to annex territories known as Parcel Map 71186 in the City of La Canada Flintridge to County Lighting Maintenance District 1575 and County Lighting District Landscaping and Lighting Act-1, La Canada Flintridge Zone, and Parcel Maps 65503 and 69426 in the City of Agoura Hills to County Lighting Maintenance District 10032 and County Lighting District Landscaping and Lighting Act-1, Agoura Hills Zone, for street lighting purposes and approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to the jurisdictional changes.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act Guidelines for the reasons stated in this letter and record of the action.
2. Adopt the Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance Districts 1575 and 10032 and County Lighting District Landscaping

and Lighting Act-1, La Canada Flintridge and Agoura Hills Zones, whose territories are located in the Cities of La Canada Flintridge and Agoura Hills, and identified on Appendix A and diagram.

3. Adopt the Joint Resolutions between the Board and other taxing agencies, approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of subdivision territories to County Lighting Maintenance Districts 1575 and 10032, as approved by the Cities of La Canada Flintridge and Agoura Hills, and other nonexempt taxing agencies, whose areas and boundaries are identified on the accompanying diagrams. The annexation and the exchange of property tax revenue shall not become effective unless the County Assessor approves the legal descriptions for the annexation areas as to definiteness and certainty and, when legally required, the final subdivision maps are approved and recorded with the Registrar-Recorder/County Clerk of the County of Los Angeles.

4. Adopt the Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from annexation of Parcel Maps 65503 and 69426 to County Lighting Maintenance District 10032 on behalf of the Los Angeles County West Vector Control District, pursuant to Section 99.01(a)(4) of the California Revenue and Taxation Code.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to: (1) find that the project is exempt from the California Environmental Quality Act (CEQA) Guidelines; (2) annex specified tentative subdivisions to County Lighting Maintenance Districts (CLMD) 1575 and 10032, and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), La Canada Flintridge and Agoura Hills Zones, (collectively, County Lighting Districts); and (3) approve the exchange of property tax revenues between CLMDs 1575 and 10032, the Cities of La Canada Flintridge and Agoura Hills, and other nonexempt taxing entities whose service areas are subject to the jurisdictional changes.

The Cities of La Canada Flintridge and Agoura Hills Municipal Codes require the installation of a street lighting system by a developer. The proposed annexation and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1). The annexation of territory to CLDs will provide street lighting services and delivery of a customer-oriented public service. This action is consistent with Fiscal Sustainability (Goal 2). The annual property tax transfer will provide funding necessary for the operation and maintenance of street lighting facilities with each annexed territory. In addition, this action is consistent with Integrated Services Delivery (Goal 3). Street lighting services will provide convenience and safety for the motoring public as well as the safety and security of people and property.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2012-13 County Lighting Maintenance Districts 1575 and 10032 Budget to fund the costs for operation and maintenance of the street lights within the annexed territories, should the annual operation and maintenance charges estimated to be \$424 and \$707, respectively, be incurred prior to the end of Fiscal Year 2012-13.

In subsequent years, the ongoing operation and maintenance costs of the street lights within the annexed territories will be funded by a portion of the CLMDs' share of the growth of the 1 percent ad valorem property taxes. The adoption of the Joint Resolutions will result in a minimal property tax growth transfer from the affected taxing entities, including the County General Fund; the County Public Library; the Los Angeles County Flood Control District; and the Consolidated Fire Protection District of Los Angeles County to CLMDs 1575 and 10032.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The California Streets and Highways Code sections 5821.3 and 22608.2 provide that a territory owned by a subdivider subject to said ordinance may be annexed to a lighting district without notice and hearing or filing of an Engineer's Report or both. The Cities of La Canada Flintridge and Agoura Hills Municipal Codes require street lighting improvements by a subdivider. A public hearing, posting and publishing requirements and filing of an Engineer's Report for the subdivision annexation projects are, therefore, not required.

Under California Government Code section 53753, it is necessary to follow the procedures for levying new or increased assessments previously authorized by the Board, including the distribution, receipt, and tabulation of ballots at a public hearing.

The Fiscal Year 2012-13 Annual Engineer's Report, which establishes assessments based on land use type for all zones within CLD LLA-1 for street lighting purposes, has an annual base assessment rate of \$0 for the La Canada Flintridge and Agoura Hills Zones. Since no new or increased assessments are proposed on any of the benefited properties within the proposed annexation areas in Fiscal Year 2012-13, the notice, protest, and hearing requirements under section 53753 of the California Government Code, including the assessment balloting procedures and approval process set forth in Article XIII D of the California Constitution, are not applicable.

The Cities of La Canada Flintridge and Agoura Hills have executed Resolutions Granting Consent and Jurisdiction to the County of Los Angeles in the matter of the annexation for Parcel Map 71186 to CLMD 1575 and Parcel Maps 65503 and 69426 to CLMD 10032, pursuant to California Streets and Highways Code section 5837. The resolutions are on file with Public Works.

The California Revenue and Taxation Code section 99 et seq. provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a resolution providing for the exchange of property tax revenues, the Board can approve the exchange of property tax revenue for that agency. If the agency is a city, both the city and County must approve the exchange of property tax revenue.

The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues have been approved by the Cities of La Canada Flintridge and Agoura Hills and all other nonexempt taxing agencies for all the proposed annexation projects, with the exception of the Los Angeles County West Vector Control District, and are enclosed for your consideration.

The Board of Directors of the Los Angeles County West Vector Control District has not returned an approved Resolution for the Exchange of Property Tax Revenue for Parcel Maps 65503 and 69426. Since it is equitable that each local agency participates in the exchange of property tax revenue generated in the area subject to the jurisdictional change, Public Works recommends that the Board

adopts the enclosed Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues on behalf of the Los Angeles County West Vector Control District for Parcel Maps 65503 and 69426.

The adoption of the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territories to CLMDs 1575 and 10032, and CLD LLA-1, La Canada Flintridge and Agoura Hills Zones, annexation and resolutions for the exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights in the annexed territories.

Following the Board's approval of the resolutions for the annexation and exchange of property tax revenues and the recordation of a final subdivision map and/or approval of the legal description by the County Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code section 54900 et seq.

The resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed project is categorically exempt from the provisions of CEQA. The project to annex territories to CLMDs 1575 and 10032 and CLD LLA-1, La Canada Flintridge and Agoura Hills Zones, for the purpose of enhancing street lighting is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in section 15301(c) of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, which specifically include annexations to street lighting districts and installation of street lights and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to CLMDs 1575 and 10032 and CLD LLA-1, La Canada Flintridge and Agoura Hills Zones, will result in street lighting for these territories and will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Angela Gadsden), and one to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).
